# 1st Annual SPFAST 9mm Handgun Challenge

Presented by Glock

Saturday, June 4th, 2016

Central Jersey Rifle & Pistol Club - Jackson, NJ

We are excited to present to you this proposal to be a "Supporting Sponsor" for our inaugural 9mm Handgun Challenge presented by GLOCK. This event is being produced to raise funds to benefit our 501 (c)(3) charity.

SPFast is a nonprofit charity organization run by NJ State Troopers for the benefit of NJ State Troopers and their families. Our support of troopers who have experienced personal tragedies has been ongoing for 10 years, we have assisted 225 families with financial aid totaling over \$800,000.

Our organization receives donations from corporate sponsors, credit union payroll contributions and fund raising events. Unlike most charitable organizations, 99% of our income is distributed to the troopers and their families. Our operational overhead costs are generously covered by our sponsors.

We have our first shooting skills fund raising event for NJ State Troopers planned for June 4th and would very much appreciate your support as a supporting sponsor. The details of the event are attached for your review. We would hope you find this opportunity to support the brave men & women of the NJ State Police and support one us through one of the sponsor packages you'll find detailed on our event program.

Thank you in advance for your time and consideration.
